# Grown-up answer guide

Check the task together. A spoken answer or a point can replace writing.

Missing-sound sheet: 1. a; 2. o; 3. i; 4. u; 5. u; 6. a. The missing letters are: cat = a; dog = o; pig = i; sun = u; cup = u; hat = a. Read each completed word as a whole. This set does not practise every vowel.

This is supplementary practice, not a phonics teaching sequence or a school scheme. Use your school's sound pronunciations. The selected words have simple one-letter spellings; accents can change vowel pronunciation without making a child wrong.
