Grown-up answer guide

Check the task together. A spoken answer or a point can replace writing.

Matching sheet: 1 → B (cat / hat); 2 → D (dog / log); 3 → A (sun / bun); 4 → C (pig / wig). Cat pairs with hat; dog with log; sun with bun; pig with wig. Judge the ending sound after naming each picture. Similar meaning or matching picture colour does not establish a rhyme.

These are rhyme activities, not instructions to guess written words from pictures. Regional accents can affect some rhymes. The four selected pairs are intended to rhyme in common UK and US pronunciations; discuss differences if your pronunciation varies.
