Tracing lines and pencil paths

Follow the dotted paths with a finger first. Then try a pencil; stop for a break whenever needed.

straight path

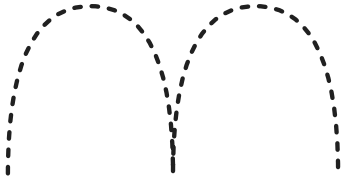
curve path

zigzag path

wave path

loop path

arch path



Tracing lines and pencil paths — answers

For the grown-up. Accept familiar alternative names where appropriate.

Grown-up note: The six routes are straight, curved, zigzag, wavy, looping and arched. There is no scored answer: the activity is following and discussing the path, with room for marks outside the outline.
