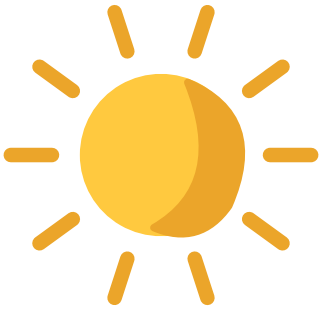
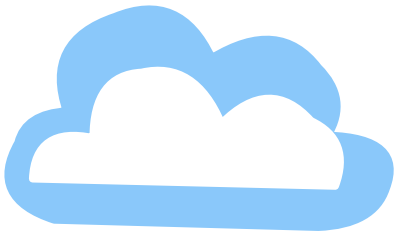
Weather cards

Cut on the dashed outlines. Show a few cards, name the pictures and find real-life matches.



sunny



cloudy

rainy

snowy

windy

rainbow

Weather cards — answers

For the grown-up. Accept familiar alternative names where appropriate.

Grown-up note: The cards mean sunny, cloudy, rainy, snowy, windy and rainbow. More than one may fit the same observation. A rainbow is something you might observe, not a promise about the rest of the day's weather.
