Look for these things together. Tick what you find and draw or describe it. Stay with a grown-up.

pink

☐

Draw or tell us what you found.

brown

☐

Draw or tell us what you found.

Colour scavenger hunt — answers

For the grown-up. Accept familiar alternative names where appropriate.

Grown-up note: There is no fixed object answer. A find is a sensible match when its visible colour resembles the chosen card. Objects with several colours can match several cards. Ask the child to show the part they mean.
