

First cutting practice

An adult prepares short strips. With close supervision, practice snipping along a dotted route.

straight path

curve path

zigzag path

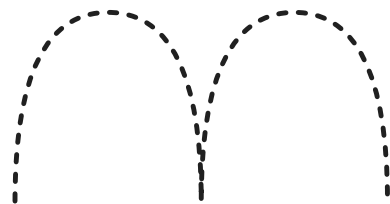

wave path

loop path

arch path

First cutting practice — answers

For the grown-up. Accept familiar alternative names where appropriate.

Grown-up note: These are practice routes rather than a scored worksheet. The goal is to explore a straight, curved, zigzag, wavy, looped or arched path. An adult can shorten any route or cut it in stages.
