

Dot marker activities

Fill each large circle with a dot marker, crayon or fingertip. Count the dots together if you like.

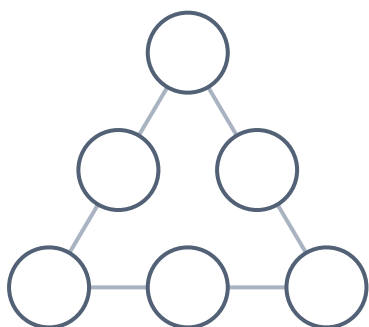

circle

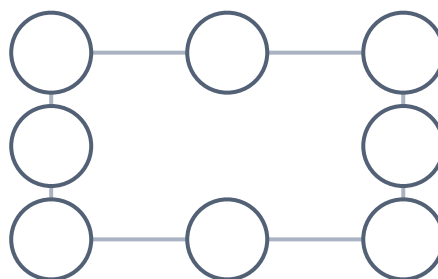

square

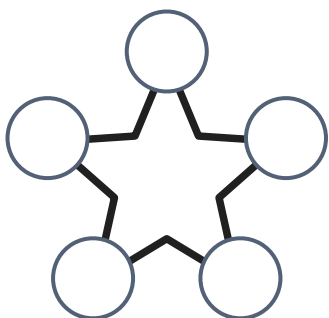

triangle

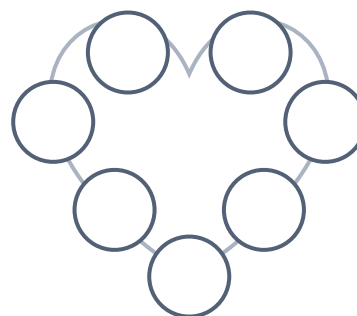

rectangle

star

heart

Dot marker activities — answers

For the grown-up. Accept familiar alternative names where appropriate.

Grown-up note: There is no single color answer. For an alternating two-color pattern, repeat the same pair in order. The pictured shapes are circle, square, triangle, rectangle, star and heart.
