

Feelings chart and prompt cards

Cut on the dashed outlines. Show a few cards, name the pictures and find real-life matches.

happy

sad

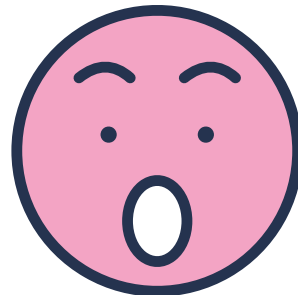

angry

worried

calm

surprised

Feelings chart and prompt cards — answers

For the grown-up. Accept familiar alternative names where appropriate.

Grown-up note: The illustrated labels are happy, sad, angry, worried, calm and surprised. There is no correct answer to “How do you feel?”
Facial appearance alone does not establish another person’s feelings.
